

PRODIGY LBR™

ADJUSTABLE BASE

LP Comfort
Connect™

Take your bedroom experience to the next level with LP Comfort Connect Technology. Control your adjustable base with voice commands and make it part of your smart home routines.

Prodigy™ LBR is a premium, zero clearance foundation style base from Leggett & Platt. It features head and foot articulation along with the added comfort of pillow tilt and lumbar support. Prodigy LBR also includes Wallhugger® technology, which lifts the user up while simultaneously gliding them back, and an under-bed light with color options to set the mood or provide additional safety in the dark.

- Head, foot, and pillow articulation with adjustable lumbar support
- Zero clearance foundation with a 3.5" foam profile
 - Compatible with most platform beds
- Base control
 - Wireless remote
 - 5 programmable memory positions
 - One-touch flat button
 - Flashlight
 - App controls for Android and iOS through LP Control
 - Multi-colored under-bed light
 - Alexa voice control through the Alexa "LP Control" skill
 - Home integration through customizable Alexa Routines
- Wallhugger® technology keeps your nightstand within reach
- Dual massage with wave technology
- Dual USB ports (A and C)
- Under-bed light
- Height-adjustable legs
- 850-lb. weight capacity
- Emergency power-down
- Sync cable included for split size
